CROOKSTON, MINNESOTA, FEBRUARY 1920

No. 3

Important Announcement

The "flu" situation has been carefully canvassed with the result that the meetings and the winter shows will be carried out as planned. This decision is based upon information secured from reliable sources. From every community the report was either that there had been no cases of influenza or that the number of extremely light cases was decreasing daily.

The program will accordingly be followed with a very few exceptions. Hon. Duncan Marshall will speak on Tuesday evening, February 10; Dr. Geo. E. Vincent, Thursday evening, February 12, and President Marion LeRoy Burton, Friday evening, February 13 as announced.

The program for each day is given in the February issue of the Northwest Monthly. If you have not received a copy, one will be sent you upon request. Note the change regarding Duncan Marshall's address from Monday to Tuesday evening. The Declamatory Contest will be held on Monday evening.
