## OVER 300 NORTHWEST SCHOOL ALUMNI ATTEND 1967 REUNION —

### MANY ALUMNI 'POSE' FOR CLASS GROUP PICTURES

Attendance of more than 300 alumni, former students, and faculty made the annual Northwest School of Agriculture summer alumni reunion one of the most successful in the event's long history. The reunion was held on Sunday, June 25.

One of the features of the day was the 'picture taking' session on the school campus. With Robert A. Heckman of the Northwest School faculty in charge, a number of group pictures (by classes) were taken of the Northwest School alumni. Nine of the pictures appear in this issue of the "Northwest School News" so the alumni, who could not be present, may know who were at the reunion from their graduating class. A large

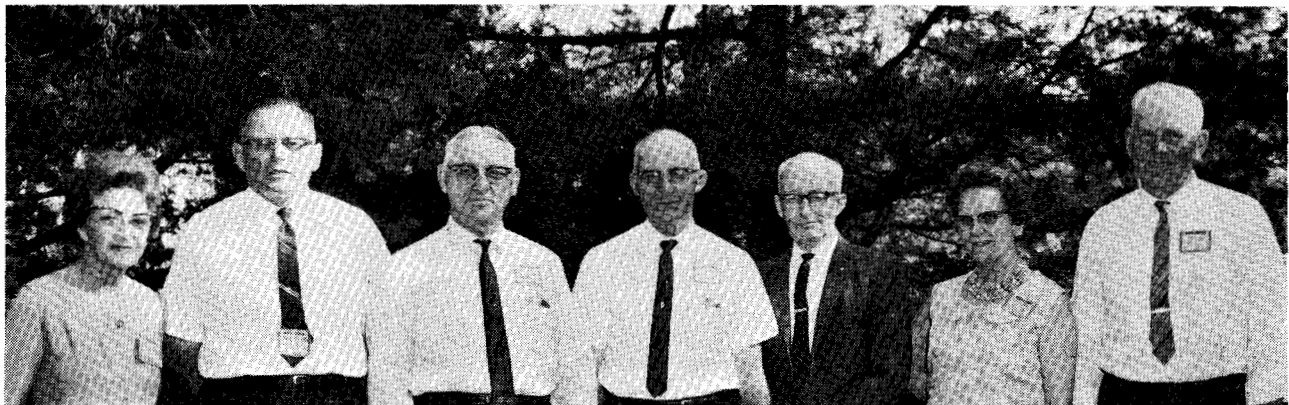

number of alumni did not arrive on the campus in time to have their pictures taken; therefore, there are many missing from the pictures.

A "smorgasbord" supper was served at 6 p.m. in the school dining hall. The Northwest School Alumni Association had its annual business meeting and program following the supper meal. A "get-together" for each class reunion group was held with each class meeting in an assigned building on the campus. In the afternoon, alumni were taken on a bus tour of the campus and Northwest Experiment Station; also, the Fisher High School band presented an outdoor band concert.

Further details on the alumni reunion were published in the last issue of the Northwest School News.
